Strawberry's shameless, cigar chomping manager, Horatio Porque (or Piggiepie Jones if you want to piss him off) has done it again: He's approved production of a Frog Raccoon Strawberry comic book without Strawberry Fields' permission! What you are seeing here is the contents of that comic book which Strawberry is reading for the first time. It's not cannon. Er... canon.

This is the last one of these! Next week, we'll see Strawberry's reaction to this comic, and then onto a new storyline!

The marquee color palette today comes from Wart's sprite from Super Mario Bros 2 or Doki Doki Panic if you're nasty.

Strawberry's shameless manager, Horatio Porque, authorized a Frog Raccoon Strawberry comic book without her permission. Strawberry was understandably upset, as she's worried that it would reveal her innermost secrets and invade her privacy. Horatio encouraged her to read it, and that's what she's been doing for the past six week's worth of comics.

The color palette of today's marquee comes from Captain America's sprite from Captain America and The Avengers for NES.

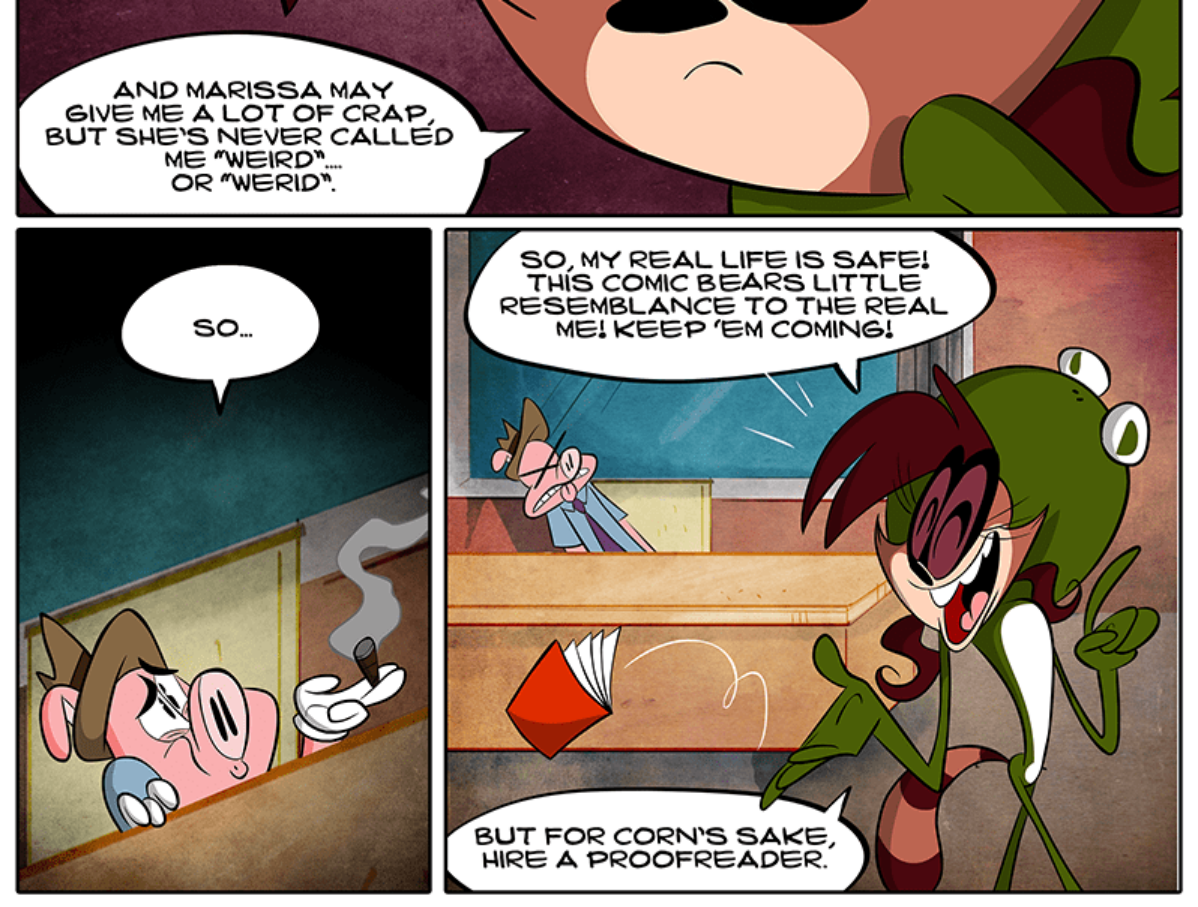
I DIDN'T LIVE HERE WHEN I WAS IN MIDDLE SCHOOL, AND THIS IS SCHWEBKEVILLE, NOT "MIDDLETON". MY DAD IS NOTHING LIKE THAT, I DON'T SPOUT OFF ABOUT EVIL ALL THE TIME, AND I DON'T MAKE UP ORIGINS FOR MYSELF...

I MET MARCO ABOUT HALF A YEAR AGO AND HIS LAST NAME AIN'T "BULLFROGUS". THERE WERE NO ROBOTS OR HAIRBALLS ATTENDING ANY SCHOOL I'VE EVER BEEN TO, MARISSA NEVER HAD A BAT CLONE...
I'D NEVER HAVE A BATTLE IN THE SCHOOL, FROG SPIRIT HAS NEVER ENCOURAGED ME TO KICK ANYTHING'S BUTT OR SAID THE WORD "HERO" IN HIS LIFE. ALSO, HE'S RARELY NAKED. I DON'T YELL "HADOUKEN" WHILE PERFORMING A SHORYUKEN, "RIBBIT TO THE LIMIT" ONLY CAME AFTER THE PAY-PER-VIEW SPECIAL...



AND MARISSA MAY GIVE ME A LOT OF CRAP, BUT SHE'S NEVER CALLED ME "WEIRD".... OR "WERID".
SO...
SO, MY REAL LIFE IS SAFE! THIS COMIC BEARS LITTLE RESEMBLANCE TO THE REAL ME! KEEP 'EM COMING!
BUT FOR CORN'S SAKE, HIRE A PROOFREADER.

Strawberry's nerdy gal pal, 20-something January O'Kaye has recently started sharing an apartment with polite, canine, criminal element, No-Good Nicky. It's awkward for everybody. This is the beginning of the story arc, so that's all I got.

This week's marquee color palette comes from Porygon2's sprite from Pokemon Gold and Silver for Super Game Boy.

Hey, there's room for my head this week!

Strawberry was out way too late playing video games with January. Strawberry sleepily heads back home. She walked, apparently. We saw some shadowy figures looming over her. We're going to find out who those belong to now, ok? Great.

The color palette of today's marquee palette is from Silver Surfer's sprite from Silver Surfer for NES. Awful game, amazing soundtrack. The Follin boys are relevant two weeks in a row.

Slippery Weasel the Evil Babby hired The Alliterative 5 to kidnap Strawberry Fields! Strawberry was too sleepy from being up too late to beat their new 6th member, Six Bustard.

They brought her to Hat and Handlebar headquarters. He's had the female members of his staff remove Strawberry's frog suit to find out what powers it holds! Interestingly, while Strawberry is powerless without her suit, Swan Five couldn't use its powers either! Just as soon as that realization was made, Caterang and Lemonade busted in to save their pal!

The color palette of today's marquee came from Spongebob's sprite in Legend of the Lost Spatula for Game Boy Color.
